Chewing

The scrambled egg is too salty remember last night when I...

Time for
the morning
audience!

Thanks for
the breakfast!

Take care!

안녕

She never
batted an
eye on me.

I want to die!

...the London, you're
having quite some
fun at the moment.
Teacher.

Concubine Lee, thank
you for borrowing
uniform skirts from
the logistical department!

My pleasure

OK, time for
revenge, now
flip their skirts

Do you have already
figgones used to the
fifts of Concubine Lee?

Eh?

That's not necessary! It's
enough to have Your Majesty's
upholding justice for us,
plus it's reward!

Oh?

Hahahaha!

Come here and
flip my skirt!

Look! This is your
compensation!

What's wrong?
This joyful
feeling!

Or do you want
me to show it to
you myself?
Don't be shy!

Joyful

祝各位读者这个好年，

多陪陪家人。

很多作者过年也要赶稿，所以
要请我们的份人好好过哦。

殿~~~~殿~~~~is used when a local official is holding a judicial case. Before the court hearing starts the bailiffs would moan that as a formality. It existed only for a specific period.

Usually the scene would look like the picture above.
